SPRING / SUMMER 2026

I N T R O D U C T I O N

Introducing Spring Summer 2026, entitled Future You.

This season, take on whatever the day holds in styles that blur the lines between work and play. Tailored suits meet denim – a sartorial hybrid of casual and formalwear – while delicate lace trims peep from beneath layers, hinting at looks that work for evening, too. In Nü's world, athleisure silhouettes are given a glamorous makeover imagined in striking monochromes and luxe fabrics. Perfect for the woman who refuses to compromise on comfort or glamour. Unexpected textures elevate muted palettes, while ditsy florals and abstract motifs burst across co-ords.

Nü's signature mix-and-match approach comes to life with fluid silk dresses and boxy cropped jackets – rest assured, you'll be prepared for every eventuality. So, face every challenge. Whether big or small, individual or collective, these are clothes made for women that crush every goal.

This is SS26.
Feminine. Raw. Sophisticated.

Behind the Scenes

A DAY ON LOCATION

To shoot our SS26 campaign we headed to one of our favourite spots in our home city, Copenhagen.

With its industrial architecture set against those gorgeous blue skies, this playground and parking garage offered everything we needed to set the mood.

Rough, raw and imperfectly beautiful.
